\_\_\_\_\_  
Contact

\_\_\_\_\_  
Date, signature

VI.

In the "House of Family Businesses" in Berlin, the Foundation for Family Businesses has built up a unique collection of histories of family-owned companies. As well as offering visitors an impressive illustration of the wide variety of such firms, the library documents the importance of this unique form of enterprise for our country. If a history of our company exists, we will donate a copy to this library.
